

ACTIVITY CENTER #1

Cut out the statements below. In the following T-chart, identify each statement as true or false by putting each statement under the right column on the following table.

Iblis (Shaytan) is a fallen angel.	Angels get hungry like humans do.	Angels wear white dresses and have a gold ring around their head.
Some angels commit sins, or don't do their jobs well.	We can sometimes see angels in their true form.	Angels are female.
Some are men.	Angels have free will	Allah needs angels to help Him
Angel Gibreel is the best angel.	They travel faster than the speed of light.	Some angels have 100s of wings.
They support and help you do good deeds.	They make du'a for you.	There is an angel on your right and one on your left recording every single thing you do and say.
When you are in the womb, an angel breathes the soul in you, and writes down if you'll live a happy or sad life.	Angels don't make any mistakes or sins.	Angels live on earth.
Angels travel around the earth.	70 000 angels make tawaf around Baitul Ma'mur every day.	Write your own statement.

ACTIVITY CENTER # 1

Task: Use the statements on the cut out and as identify which statements are true and which are false. Correct the false statements by discussing the correct response in your group. Then write down your answers in your notebooks.

TRUE	FALSE	CORRECTION
	Ex. Angels take turns sleeping.	They never get tired
